

# Harvey.

Chris and I has just landed on the moon. I took the fist to steps on the moon. Chris took the second to steps on the moon. We got back in to the space ship and went to sleep. The next day we got up then we found a spot and put the flag in the spot. Then I said on small leap for man and one giant leap for man kind then we got we got back in the space ship went back to Earth. Then when we got home we got on the back of a car and people clap and yelled at me and Chris and I.
